### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with JD Evans on 8-20-2004.

2. The application has been amended as follows:

- Claim 1, line 4 after “functional part”, —arranged in said housing with said filter cartridge—has been added; and in line 8, after “water level sensor”, “or” has been replaced with —and—.

- Claim 9, line 1, after “is”, —a— has been added.

- Claim 10 has been amended as follows:

—10. A filter cartridge comprising an annularly constructed filter medium arranged between two axial end plates, wherein the filter medium is provided with a lateral recess for accommodating a functional part of arranged in a filter housing in which the filter cartridge is to be installed, said functional part comprising a probe of a water level sensor and a suction tube of a liquid discharge, wherein said filter medium is a pleated filter sheet, and said lateral recess comprises a folded pocket formed by a spacing between two adjacent pleats, wherein the two

axial end plates are provided with notches aligned with the lateral recess in the filter medium so that said functional part can be inserted in an axial direction through one of the end plates into said lateral recess in the filter medium, and wherein the lateral recess is arranged outside of the annular filter medium and is larger than other similar spacings that are outside of the annular filter medium and between other two adjacent pleats.—.

*Reasons for Allowance*

3. The following is an examiner's statement of reasons for allowance:
  - The closest cited art—JP 10-042513—fails to anticipate or render obvious, alone or in any proper combination, both the water level sensor probe and the suction tube extending through a notch of at least one end cap in into a folded pocket formed between the pleats of the filter medium and within the housing of the filter cartridges of claims 1 and 10.

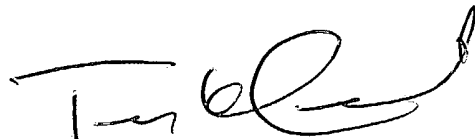

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
